Employment History

Summer 2012 – Present

Currently employed with Shaws as a service desk representative. Using problem solving skills I help customers with any issues they had during their visit. This includes over the phone customer service as well as in-store support.

Skills

Languages

- Java – C++ – Autohotkey – lua

Tools/Software

- Eclipse – Dev-C++ – CodeBlocks – Netbeans – Dropbox

Educational Background

Summer 2014 – Present

Middlesex Community College

Currently taking classes over the summer in order to get a head start on my degree.
Studying for Computer Science Transfer Major
Then to UMASS Lowell

June 2014

Merrimack High School

Awarded High School Diploma
During my stay at the high school I completed 3 programming courses including:

- **Intro to Programming C++**
- **HONORS Data Structures C++**
- **HONORS Computational Science and Engineering JAVA**

Finishing my senior year with a 3.4 GPA on a 4.0 scale

Projects

Slime Game ([dropbox](#) download)

Small 2D game I created for fun. Created in Java with the LWJGL gaming library. Using linked lists, polymorphism, collision detection and the use of the exponential function to simulate gravity.
